

CHAMPAGNE TOWER

Our Champagne Tower is a touch of luxury, and perfect for your wedding toast to follow your meal or cake cutting. It is also a lovely idea for on arrival to welcome your guests.

Our champagne towers are also perfect for any special event - Engagement, Hens party, Birthday, or Corporate Function.

Our DIY package includes:

Up to 91 Champagne Coupe glasses included– depending on number of guests required to be served.

Champagne tower light up Perspex base for table. (This will act as a spill tray to stop spillage onto the table)

Staff to setup glass champagne tower prior to your arrival.

Bride and groom to pour the champagne.

Delivery (Melbourne metro) and Pickup of all items the next day.

Rose petals decoration and napkins.

This package is perfect for events being held at function venues, where assistance can be arranged with venue staff.

For private events, we can arrange bar staff to serve for you, or you can incorporate this into our champagne beverage service.

Email your requirements and we can tailor a package to suit your requirements. Larger towers available on request

PRICE: \$350.00

Dry ice can also be supplied with our towers to create a smoke effect, which looks fantastic on our light up champagne tower base.

This will create a great photo opportunity and is also a bit of fun.

***** If you would like true French Champagne, this can also be include in the above package.***
